PROSPECTUS

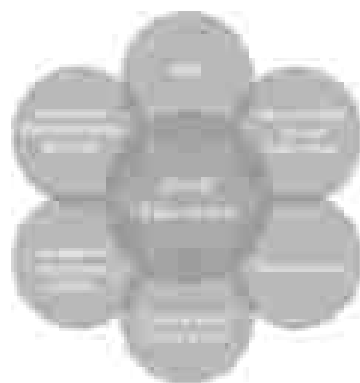

Loyola Kendriya Vidyalaya, a school affiliated to CBSE, Delhi, stands as a beacon of wisdom, hope and transformation, for the people of Mandgod and surrounding areas. Started and managed by the Fathers of the Society of Jesus, popularly known as the 'Jesuits' since 2014, it prides in being part of a rich legacy of institutions run by Jesuits throughout the world. The Society of Jesus, founded by Ignatius of Loyola in 1540, has a legacy of rendering transformative and emancipatory Education for more than 500 years.

The school is a christian minority institution intending primarily for the education of the Christian students and managed by the North Karnataka Jesuit Educational and Charitable Society, Mandgod. However, students of all religious persuasions are admitted, without any interference with their respective creeds. The President of the Governing body is Rev. Fr. It invites for a radical change in the heart of the one being educated and the educator himself. It means turning from selfish concerns to unreserved generosity to God and their fellow men. It means living out the principles of ethical living, services to others, the search for truth, passion for justice socially responsible and environmentally caring through 4 valuable C's of Jesuit formation - *Conscience, Competence, Compassion and Commitment*, or in two words, "Human Excellence". Only such an education can create men and women for others, and noble citizens of India. Thus, we infuse these Jesuit principles into both the curriculum and the student experience at Loyola Kendriya Vidyalaya.

UNIVERSAL PRAYER

Our Father / who art in heaven /
Hallowed be thy name / thy kingdom come /
thy will be done / on earth as it is in heaven,

Give us this day our daily bread / and forgive us our
trespasses / as we forgive those who trespass against us /
Lead us not into temptation / but deliver us from evil.
For yours is the kingdom / the power and the glory /
now and forever. Amen.

A TEACHER'S PRAYER

Dear God, help me to be a fun teacher; to keep peace in the classroom, peace between my students and myself, to be kind and gentle to each and every one of my students. Help me to be merciful to my students, to balance mercy and discipline in the right measure for each student, to give genuine praise as much as possible, to give constructive criticism in a manner that is palatable to my students.

Help me to remain conscientious enough to keep my lessons always interesting, to recognize what motivates each of my students, to accept my students' limitations and not hold it against them. Help me not to judge my students too harshly, give me patience with those who are slow to learn and even with those who refuse to learn. To be fair to all, to be a good role model. But, most of all, help me to show your love to all of my students. Help me to remember the greatness of the work which has been given me to do. Help me always remember that I work with the most precious material in the world the mind of a child. Help me to remember that I am making marks upon that mind which time will never rub out.

Amidst the worries and the irritations and the frustrations of my vocation as a teacher, help me to remember that the future of the nation and of the world is in my hand.

And do God's will in return

Loyola Kendriya Vidyalaya
We hail thee for evermore
All for the greater Glory of God
We march and strive ever more...

To do what is right, stand for a just cause
To better ourselves without a pause
To be persons for others, a symbol of love
As long as I live with strength from above

Loyola Kendriya Vidyalaya
We hail thee for evermore
Proud of thy name, with deed's I'll proclaim
In all things to love and serve.
